

When Times are Hard

Money close and the demand for loans about three times as large as we can supply, it is natural that, in case one of our regular depositors needs an accommodation he should be favored first—his interests cared for.

Why not protect YOUR future interests by opening an account with us NOW—the amount of your first deposit is not so material as the fact that you become one of our customers.

RISING SUN and CARTHAGE 6 MISS DOROTHY PATTERSON

The pie supper at Rising Sun Friday evening was a great success. There was a good crowd present, and everyone seemed to take interest and enjoy themselves. The success of the occasion was largely due to the good work of Harry Hille, the auctioneer. A program rendered by the teacher, Miss Nellie Whicker, and pupils was very entertaining and much appreciated by all. There were 20 boxes, which brought from \$1.25 to \$2.30 per box. The box of candy given to the most popular young lady by penny votes was won by Miss Mary Stockdale of Barton, and the pickles to the fellow with the largest feet was voted to Ray Steelman of Barton also. The total sum of boxes, candy and pickles amounted to \$46.10. One-fourth of the proceeds was given to the Red Cross. The teacher and pupils felt rather elated over their success, and amply paid for their time and trouble.
